CALTRANS ADVISES MOTORISTS OF MAINTENANCE PAVING OPERATIONS ALONG STATE ROUTE 41

WHAT: PAVING OPERATIONS ALONG BOTH DIRECTIONS OF STATE ROUTE 41
WHEN: MONDAY, AUGUST 4TH - FRIDAY, AUGUST 8TH EACH DAY FROM 9:00 A.M. UNTIL 2:00 P.M.
WHERE: CITY OF FRESNO; BOTH DIRECTIONS OF STATE ROUTE 41 FROM "M" STREET TO TULARE AVENUE.

The California Department of Transportation (Caltrans) announces maintenance crews will implement paving operations along the #3 (slow) lanes along both directions of State Route 41 next week, beginning on Monday, August 4th at 9:00 a.m. It is anticipated that operations will take place within the northbound lanes on August 4th-5th; and southbound operations will take place on Wednesday, August 6th-Friday, August 8th. As part of these operations, lane closures will take place between "M" Street and Tulare Avenue within the city of Fresno.

In order to safely implement this paving project, on and off-ramps located within the project limits may/will also be closed 9:00 a.m.-2:00 p.m. or temporarily closed during these operations. **(Schedule or specific lane/ramp closures are subject to change due to unforeseen circumstances which may occur during maintenance operations.)**

The following on/off ramps may be closed continuously or intermittently during paving operations:

- Northbound "M" Street On-Ramp
- Northbound Tulare Avenue Off-Ramp
- Southbound "M" Street On-Ramp
- Southbound Tulare Avenue On-Ramp
- Broadway Avenue On-Ramps

Motorists will experience traffic delays along State Route 41 during this time as only the number two (middle) and #1 (fast) lane will be accessible to motorists within the work zone. Motorists are encouraged to avoid the area or use an alternate route whenever possible to avoid delays.

Caltrans would like to thank motorists for their patience during this pavement repair project. The public is reminded to be alert for Caltrans personnel and to merge when directed to do so. The safety of our motorists' and work crew personnel is most important, therefore, please stay alert and "**Slow for the Cone Zone**" in all Construction and Maintenance Zones at all times.

For further information regarding this project, please contact the number listed above or follow us at www.facebook.com/caltrans.centralvalleydistrict6 or twitter at www.twitter.com/caltransdist6.
